O R D E R

On March 30, 2012, AEP Kentucky Transmission Company, Inc. ("KY Transco") filed a motion for an extension of time, from April 11, 2012 to May 16, 2012, to file its responses to the requests for information appended to the Commission's March 22, 2012 Order. KY Transco states that some of the requests relate to a consultant's report that was previously filed in the record of this case and that the requested extension of time will allow for the filing of testimony by that consultant. KY Transco also cites the current work load of personnel and its counsel in this case and a pending environmental surcharge case involving Kentucky Power Company.

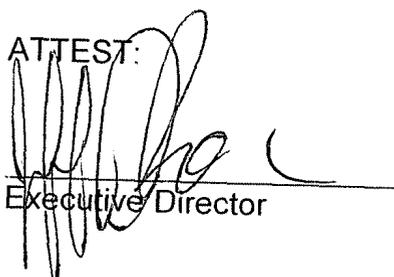

Based on the motion and being otherwise sufficiently advised, the Commission finds good cause to grant the requested extension of time.

IT IS THEREFORE ORDERED that the March 22, 2012 Order is modified to the limited extent that KY Transco shall file its responses and any prepared testimony no later than May 16, 2012.
